PMA conveyed in the Mission meeting that the applicants mentioned in the above table applied under farmer category for transportation by railway.

PMA informed that it has examined the abovementioned claims and found these applications deficient of the following documents:

- Invoice against sale of crop
- Bank Statement against Sale of crop which should reflect amount credited toward crop sale
- Applicants have submitted the regional language land holding documents, instead of notarized translated version in Hindi/English.

Applications were reverted back on 13.01.2022 for resubmission of documents through portal and informed by email also.

In the MOG, Operation Greens division discussed regarding submission of crop sale invoice of the individual farmer applicant category as they belong to the small and marginal category of land holding and cannot produce crop sale invoice. In this connection, Division and MOG had taken suggestions of the representatives of NABARD, SFAC and other officials of Govt departments and came up with a common view of relaxing crop sale invoice in case of individual farmer category only. However, bank statement reflecting credited amount against sale of crop is mandatory.

Regarding land holding documents of farmers, it was decided that applicants have to submit translated version of regional language land document in to notarized Hindi/English version.

342235/2022/OPERATION GREENS**Mission Recommendation:**

Mission directed applicants to resubmit the application with sought information and documents mentioned in the email and SAMPADA portal sent by PMA. Further, Mission advised farmers to re-submit their application by 11.02.2022 in all respect otherwise their application may be considered as an ineligible application and no further discussion will be held on the same.

Further, Mission advised that in case of individual farmer applicant category crop sale invoice is relaxed. However, bank statement reflecting credited amount against sale of crop is mandatory. In addition to the above, Mission directed that land holding documents have to be submitted in the notarized English/Hindi version.
