Meeting Minutes

Operation Greens Scheme
Short Term Intervention

Minutes of the 5th Technical Committee held on 17.04.2023

5th TC meeting was held on 17.04.2023 under the chairmanship of Additional Secretary, FPI to consider the claim applications received for transportation/ storage subsidy under Operation Greens – Short Term Interventions.

Members of the Technical Committee (TC), Applicants and PMA (GT) attended the meeting.

2. At the outset, Chairman welcomed the participants and intimated the purpose of the meeting.
3. Detailed presentations were made on applications of transport/storage subsidy claims submitted by the applicants during the Month of November 2022 and December 2022. TC examined whether the applicants have complied with the eligibility criterion, documentation requirements for online claim for transport/storage subsidy in case of short-term proposals.
4. 7 applications of transport/ storage were considered eligible by TC.

TC observed that in case of Darshan Trading Co. (Agenda no. 6 & 7), the eligible subsidy works out to more than ₹ one (1) crore and as per clause no. 3 of scheme guidelines dated 25.05.2022, maximum subsidy admissible per applicant is ₹ one (1) crore; hence, subsidy in respect of agenda no. 7 is restricted to ₹10,94,147.

Similarly, TC observed that in case of Rekha Shreedhar Kothawade (Agenda no. 21) the eligible subsidy works out to more than ₹ one (1) crore and as per clause no. 3 of scheme guidelines dated 25.05.2022, maximum subsidy admissible per applicant is ₹ one (1) crore; hence, subsidy in respect of agenda no. 21 is restricted to ₹13,69,723.

The details of eligible claims are at **Annexure - I**.

5. 30 applications of transport subsidy were considered partially eligible by TC and the details of eligible and ineligible claims along with respective deficiencies is enclosed at **Annexure - II**. The applicants were directed to upload the deficient documents on the SAMPADA portal of the Ministry within 7 days i.e. by 25th April 2023. Final decision will be taken by the TC in the forthcoming meeting based on the documents available/submitted by 25th April 2023.

6. TC found 151 applications as ineligible due to following reasons:

- a) TC approved 96 applications of storage/transport as ineligible as storage/ transportation period is before 24.05.2022 i.e. last date as per extension order of operational guidelines dated 22.12.2020. Details are at **Annexure-III-A**.
- b) TC approved 3 applications as ineligible due to not meeting the clause 4 of the scheme guidelines dated 25.05.2022. Details are at **Annexure-III-B**.
- c) TC approved 43 applications as ineligible due to non-compliance of clause 2(G)(i) of scheme guidelines dated 25.05.2022 . As the average market price of the crop was higher than the Trigger price notified by the Ministry during the time of storage/transport and there was no glut. Details are at **Annexure-III-C**.
- d) TC approved 3 applications of banana transport/ storage as ineligible due to non-compliance of clause 2(G)(i) of scheme guidelines dated 25.05.2022 . As the average market price of the crop

was higher than the Trigger price notified by the Ministry during the time of storage/transport and there was not glut. Details are at **Annexure-III-D**.

- e) TC approved 6 applications pertaining to storage/transport of non-TOP crops deffered on 3rd meeting held on 20.12.2022 as ineligible. Details are at **Annexure-III-E**.

TC directed that the applicant may submit their grievance/ representations through email at operationgreens-fpi@gov.in within 7 days i.e. by 25th April 2023. Final decision will be taken by the TC in the forthcoming meeting on the grievance/ representations received by 25th April 2023.

- 7. The meeting ended with vote of thanks to Committee members and participants.

Agenda No. 41 Storage/Transport applications of Non-TOP crops for which trigger price is not notified.

It may be noted that the TC directed in its 3rd meeting held on 20.12.2023 to write to the respective State Governments to provide average market price during harvest season of last three years i.e. 2019-2020, 2020-2021 and 2021-2022 of the eligible non TOP crops for the eligible clusters for which applications have been received from the specified district/clusters to process the applications.

It is proposed before TC to consider the average market price data available on agmarknet.gov.in for calculation of trigger price for these crops and consider the application received for Non-TOP crop for evaluation. Accordingly, the trigger price for the banana for the Jalgaon cluster of Maharashtra is calculated as per clause no. 2(G)(i) no. of the Operation Green Short Term Intervention guidelines dated 25.05.2022 for the period of transport/storage.

Average Market Price of Banana in Jalgaon, Maharashtra						
Month/ Year	2020	2021	2022	3 Years average	15% fall 2022	T/P
June	6.45	11.38	14.90	10.91	9.27	10.91
July	8.05	20.38	20.38	16.27	13.83	16.27

PMA Observation:

As per clause 2(G)(i) of scheme guidelines dated 25.05.2022, "The subsidy will be disbursed to the Eligible Entities for TOP crops in case price in the Eligible Production Clusters falls below the trigger price of the respective crop notified by the Ministry".

It may be noted that, the Avg. monthly price of Banana for the month of June, July, August, September, October and November for year 2022 is more than trigger price calculated for the cluster above. Hence applications for Storage/ Transportation received for these months are not meeting the clause 2(G)(i) of scheme guidelines dated 25.05.2022.

PMA Remark

As the prevailing Avg. monthly market price as per the price data available at agmarknet.gov.in in district/State is higher than the calculated trigger price. Accordingly, above 3 applications are considered as ineligible due to not meeting clause 2(G)(i) of scheme guidelines dated 25.05.2022:

TC observation:

TC observed that the average market price and/or trigger price for Banana in Jalgaon cluster is not received from State Government as requested by the Ministry.

PMA also informed that the trigger price of Banana has been calculated as per clause no. 2(G)(i) no. of the Operation Green Short Term Intervention guidelines dated 25.05.2022 for the period of transport/storage.

PMA informed the TC that average monthly price of Banana for the month of June, July, August, September, October and November for year 2022 is more than trigger price calculated for the cluster above. Hence applications for Storage/ Transportation received for these months are not meeting the clause 2(G)(i) of scheme guidelines dated 25.05.2022.

TC Decision

Technical Committee observed that the Prevailing Avg. Market Price of Banana in Jalgaon district of Maharashtra in the month of July, August, September, & October 2022 is more than the Trigger Price. Hence, the above 3 applications are not meeting the clause 2(G)(i) of the scheme guidelines dated 25.05.2022.

TC approved the banana storage/ transportation applications as ineligible for subsidy.

Agenda No. 42 Reconsideration of applications not recommended in 3rd meeting of TC held on 20.12.2022 due to non-availability of trigger price.

6 applications were deferred in the 3rd meeting of TC due to non-availability of trigger price of banana & Mausambi for production clusters of Maharashtra and Telangana. TC directed to place the agenda in forthcoming meetings after receipt of price from the respective State Governments. Maharashtra and Telangana states were requested to provide the trigger price of the eligible crops under the scheme for the eligible clusters falling in their respective states, however the same has not been received by the Ministry.

It is proposed before TC to consider the average market price data available on agmarknet.gov.in for calculation of trigger price for these crops and consider the following 6 applications for evaluation.

PMA Remark:

It is proposed before TC that in case the average market price of 3 years'/trigger price for non-TOP crops are not recommended or notified by the State Government, the average market prices are available on official website of Directorate of Marketing & Inspection (DMI), Ministry of Agriculture and Farmers Welfare.

PMA Remark

As the prevailing Avg. monthly market price as per the price data available at agmarknet.gov.in in district/State is higher than the calculated trigger price. Accordingly, above 3 applications are considered as ineligible due to not meeting clause 2(G)(i) of scheme guidelines dated 25.05.2022:

TC observation:

PMA informed the TC that 6 applications may be considered for evaluation based on the trigger price calculated detailed above.

TC observed that the average market price and/or trigger price for Banana in Jalgoan cluster is not received from state government as requested by the Ministry. PMA informed the TC that average monthly price of Banana for the month of June, July, August, September, October and November for year 2022 is more than trigger price calculated for the cluster above. Hence 3 applications for Storage/ Transportation of received from Sunria Agro Produce OPC Private Limited for these months are not meeting the clause 2(G)(i) of scheme guidelines dated 25.05.2022.

Further PMA informed that 3 applications submitted by Vignesh Reddy Angadi cannot be assessed/ evaluated as no supporting documents are uploaded.

TC Decision

Technical Committee reconsidered the above 6 applications for evaluation and approved as ineligible.
