

India – Food Processing Hub

Indian Prime Minister on “Make in India”....

*“Sell anywhere but
manufacture here. We have
the skill and talent for it”*

*“We have to increase
manufacturing and at the
same time ensure that the
benefits reach the youth of
our nation,*

Mega Food Parks - A Step in the right direction

india foodpark

TUMKUR. KARNATAKA

India Food Park - the concept

What We Do?

Develop and
Provide an Eco
system for end-to-
end food
processing

What We offer

Common Services

- Sourcing
- Processing
- Storage
- Logistics

Leasable Space

- Land Plots
- SDF Sheds

What we Intend to Achieve?

- Hygiene
- Cost advantage
- Convenience
- Support Brand Development
- Backend support – supply security
- Shared resources

India Food Park Location

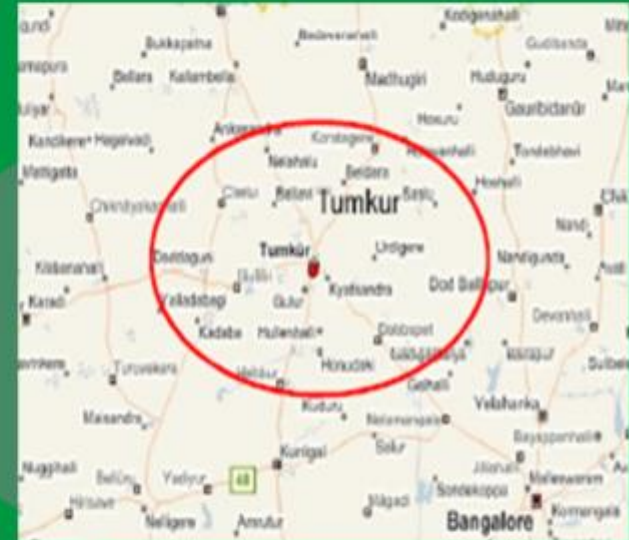

Karnataka

Tumkur

Vasanthanarsapura Industrial Area

Located in KIADB Industrial Area
– 12000 acre NIMZ PROJECT

100 Kms from Bangalore

1 Km from NH4

300 kms from nearest port

22 Kms from nearest Railway Station

100 kms from nearest airport

17500 MT
Fowler Westrup make

Key products

- Paddy, Wheat, Pulses/ other grains

R&D and QC Lab

3000 sqft
Kewaunee Labway make

Admin, Lab & Canteen

21000 sqft

55 Work stations, 15 Manager Cabins, 2 conference rooms, 200 canteen tables

Power Infrastructure

- Total Grid load : 7 MVA
- Backup Available : 2500 KVA
 - 1 X 1000 KVA
 - 2 X 500 KVA
 - 2 X 125 KVA
 - 1 X 250 KVA
- Solar plant : 3 MVA

Utilities

ETP, STP Plant

500 KLD

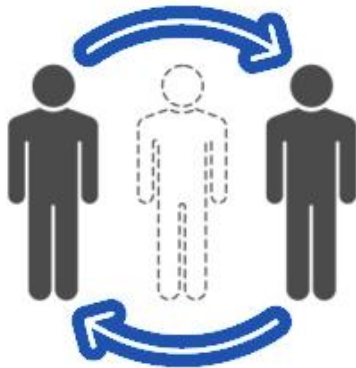

Rain Water Harvesting Pont

4 ML

Farm Connect

- ✓ Direct Farmer Connect : 1200+
- ✓ Farm land under contact farming : over 2000 acres
- ✓ Total Sourcing till date : 21,000 MT
- ✓ Door step delivery at IFP : 1200 MT/M
- ✓ Number of commodities handled : 40+
- ✓ Estimated Waste reduction terms - LY) : 6300 MT (approx Rs 15 Cr in value)

Best Practices

**No middleman
commissions**

Weighment transparency

Cashless transactions

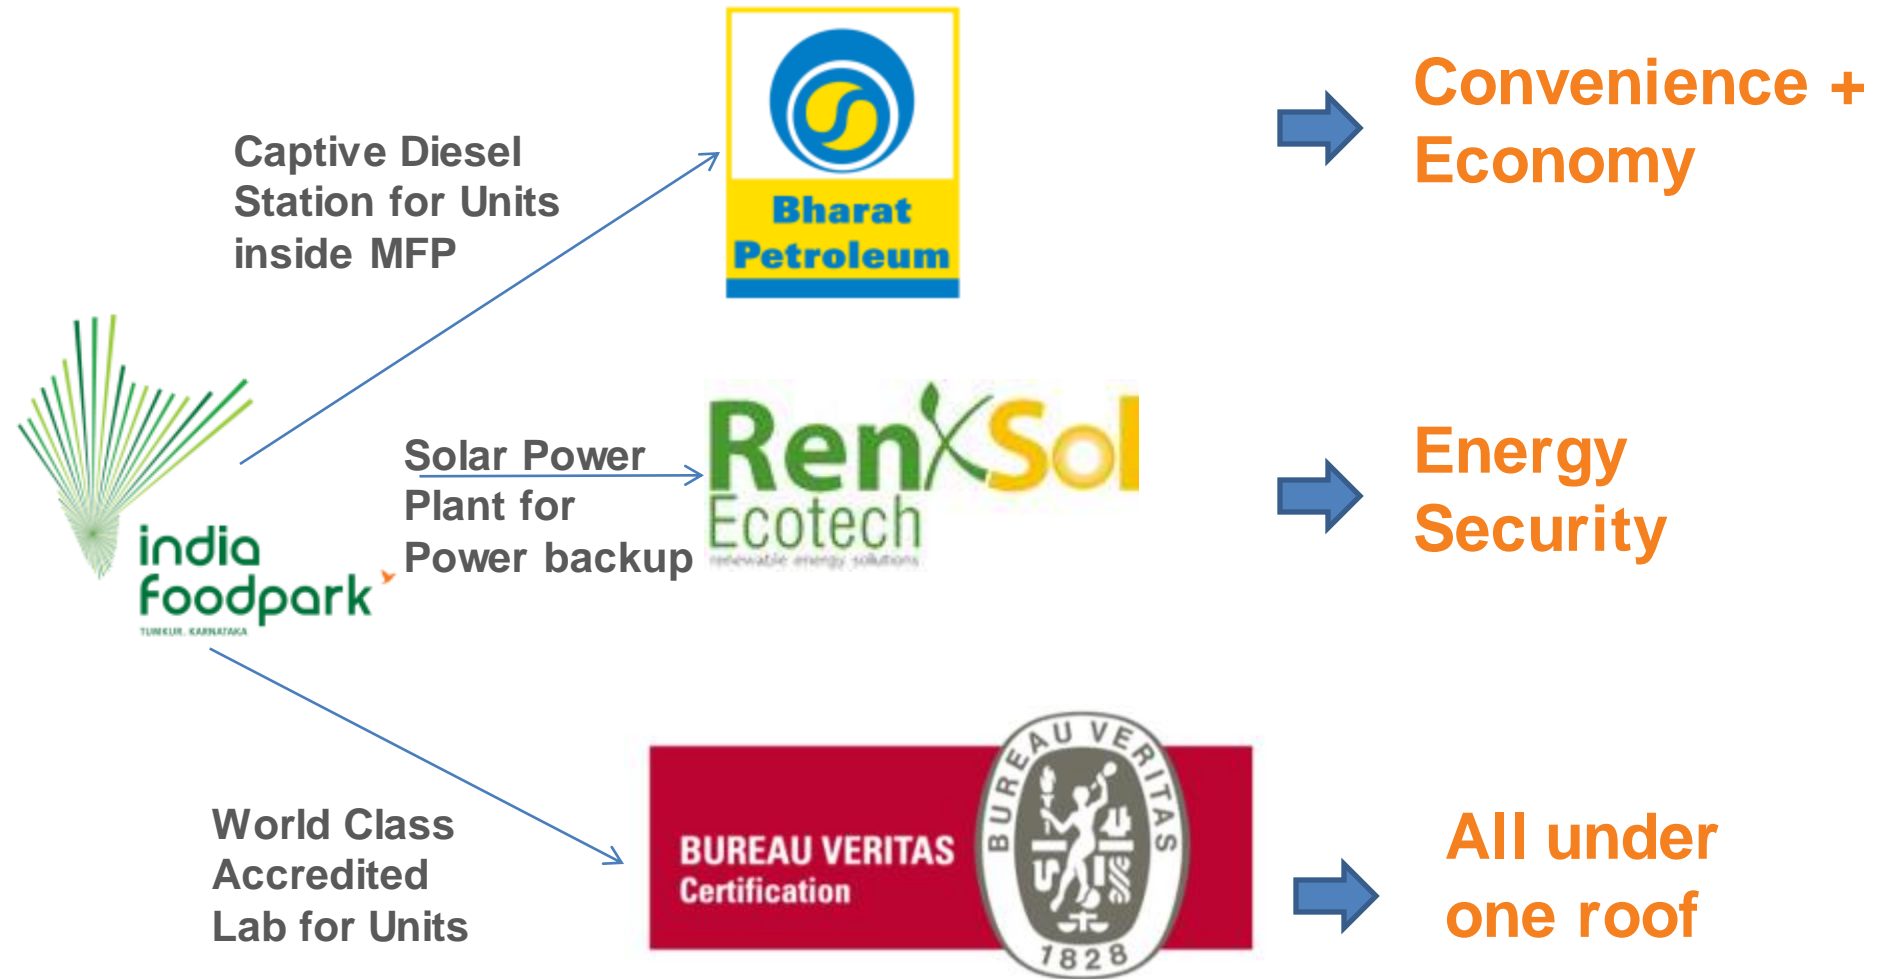

Price Transparency

Farmer Training Activities

| SN | Date | Nature of Training | No. of Participants | Name of Sponsoring Institute |
