MEGA FOOD PARKS IN INDIA

The above MAP depicts only pictorial representation of India and the States of India and does not purport to be the political map of India or its states and are not drawn to scale and are only impression of Mega Food Parks in India.

Mega Food Parks Scheme

- Introduced in 11th Plan to create modern infrastructure
- Scheme has been conceptualized on an Industrial Park Model and customized to the need of food processing sector
- Cluster-based approach on Hub and Spoke model
- Central Processing Centre (CPC) as Hub ; Primary Processing Centres (PPC) and Collection Centres (CCs) as Spokes
- Focus on both backward and forward integration
- Developed Industrial plots available for setting up units including sheds for plug and play

Mega Food Parks Scheme

- To create modern infrastructure for the food processing
- To enhance value addition of agriculture produce (present level of processing of F&V – 2%)
- Reduction in wastage (present level of wastage - Rs. 92,651 Cr as per CIPHET Study)
- Capacity building of producers and processors
- Increase realization for farmers
- Employment creation, especially in rural areas.

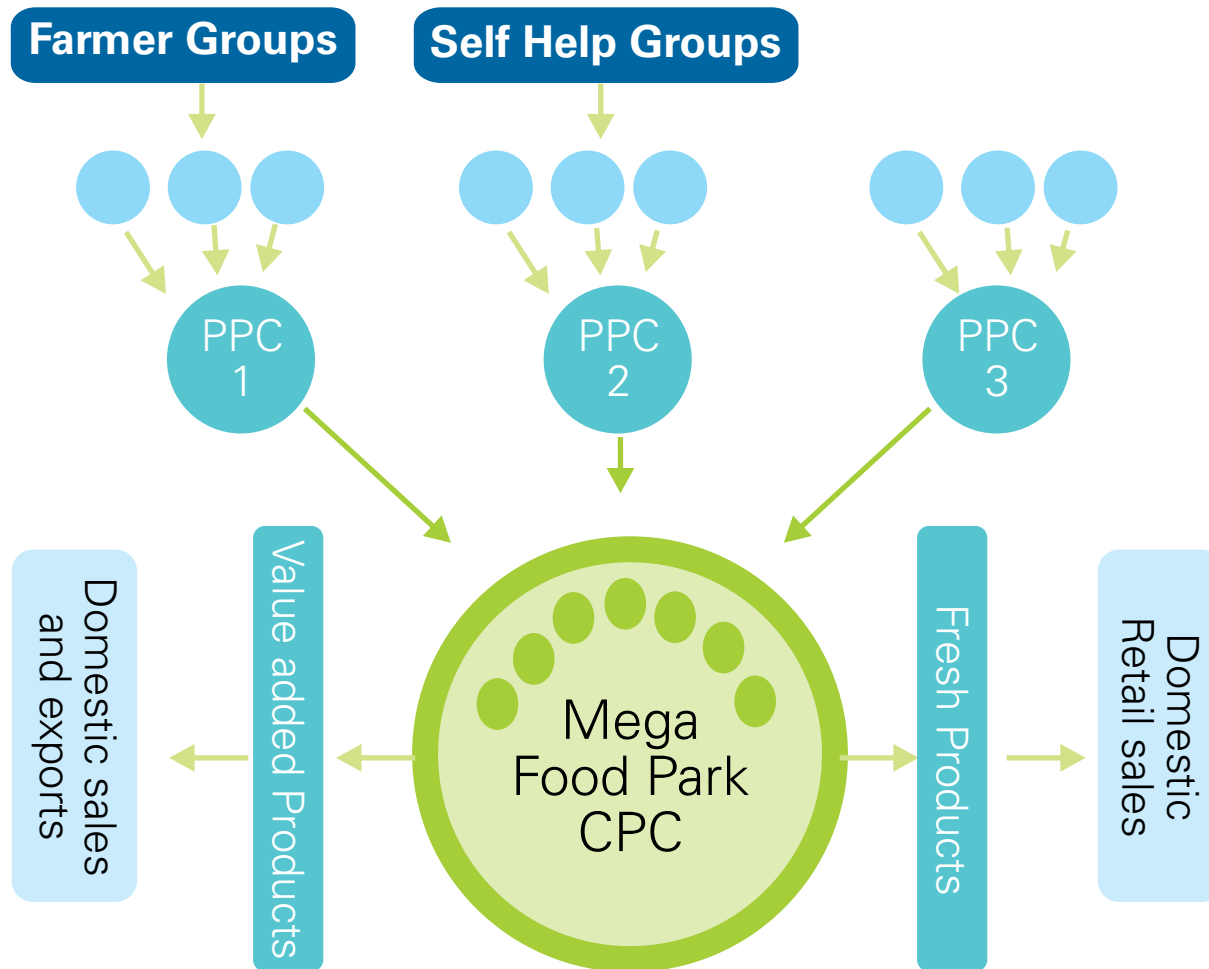

Main Features of Scheme

- Core Processing – Mechanized sorting & grading, packaging, warehouse, silos, CA/MA/Frozen /Cold Storage, pulping, IQF, ripening chambers, QC Lab, etc.
- Enabling Basic Infrastructure – Industrial plots, Internal roads, drainage, water, electricity, ETP, STP, weigh bridge, etc.
- Non-core Infrastructure - Admin building, training centre, canteen, workers hostel etc.
