ANSWER

THE MINISTER OF FOOD PROCESSING INDUSTRIES
(SHRI CHIRAG PASWAN)

(a) The Government of India had approved the umbrella Central sector scheme i.e. SAMPADA – Scheme for Agro-marine processing and Development of Agroprocessing Clusters for implementation period 2016-2020 coterminous with the 14th Finance Commission cycle. The scheme has been subsequently renamed as ‘Pradhan Mantri Kisan SAMPADA Yojana (PMKSY)’. PMKSY was envisaged as a comprehensive package which will result in creation of modern infrastructure with efficient supply chain management from farm gate to retail outlet. It will not only provide a big boost to the growth of food processing sector in the country but also help in providing better returns to farmers and is a big step towards increasing farmers income, creating employment opportunities especially in the rural areas, reducing wastage of agricultural produce, increasing the processing level and enhancing the export of the processed foods. Under the PMKSY scheme, the funds are not allocated State-wise.

The details of year-wise and state-wise funds allocation and its utilisation in the last five years under the component schemes of PMKSY is at **Annexure-I**.

(b) The number of sanctioned, completed/ operational Agro-Processing Clusters across the country since inception of the Scheme, year-wise, State-wise, and category-wise is at **Annexure-II & Annexure-III**.

(c) Scheme for Creation of Infrastructure for Agro Processing Clusters (APC Scheme) has been launched during May, 2017 as a new scheme under the Pradhan Mantri Kisan Sampada Yojana and since then APC scheme is being implemented as a separate scheme and as such, it is not connected with Mega

Food Parks Scheme (MFP), which was also a part of PMKSY.

APC scheme aims at development of common infrastructure such as cold storage, ripening chamber, silos, IQF, warehouse, internal roads, boundary wall, ETP/ STP, water supply, etc. to encourage entrepreneurs to set up food processing units based on cluster approach.

At least 10 acres of land (5 acres in urban areas) for the project is required arranged by the PEA and at least 5 food processing units with aggregate investment of minimum Rs. 25 crore are required to be set up in the approved APC.

Scheme envisages grants-in-aid @35% of eligible project cost in general areas and @50% of eligible project cost in difficult areas, SC/ST, FPOs and SHGs subject to maximum of Rs.10.00 Crores
