27.10.2022

**Minutes of Meeting**

[for proposals received against EoI dated 21.06.2022 under  
the scheme for Integrated Cold Chain & Value Addition  
Infrastructure]

**MINUTES OF MEETING OF THE PROJECT APPROVAL COMMITTEE (PAC) HELD ON 27.10.2022 FOR CONSIDERING THE PROPOSALS RECEIVED AGAINST EoI DATED 21.06.2022 UNDER THE SCHEME FOR INTEGRATED COLD CHAIN & VALUE ADDITION INFRASTRUCTURE.**

A Meeting of Project Approval Committee (PAC) was held under the Chairmanship of Hon'ble Union Minister, Food Processing Industries on 27.10.2022 at 11:30 AM to consider the recommendations of Technical Committee (TC) w.r.t. proposals received under the Scheme for Integrated Cold Chain & Value Addition Infrastructure against the EoI (Expression of Interest) dated 21.06.2022. The list of participants is at **Annexure-II**.

2. At the outset, the Chairperson welcomed the members of PAC. Shri Sanoj Kumar Jha, Joint Secretary, MoFPI provided a brief on Cold Chain Scheme and subsequently, the Program Management Agency (PMA) i.e. GT (M/s Grant Thornton India) made a presentation on the proposals. PAC considered the recommendations of TC and accorded its approval or otherwise after taking into account the provisions of the guidelines of the scheme as regards the eligibility criteria and marking criteria.

3. PAC was informed that in response to the EoI, the Ministry had received 73 proposals (including 1 proposal withdrawn by the applicant) on SAMPADA Portal of MoFPI. Technical Committee (TC) evaluated all the 73 proposals and recommended 57 proposals as per scheme guidelines dated 08.06.2022.

4. PAC observed that budget available with the Ministry under the scheme is not sufficient for approval of all the proposals recommended by TC as eligible which were found proper by PAC. PAC, therefore, decided the following:

a) A merit list of eligible proposals for general category (**Annexure-I**) as per fund available may be appended with minutes of the meeting in descending order of final scores/ marks.

b) Proposals at sl.no. 1 to 22 in **Annexure-I** (general category in order of merit) and 02 proposals of **SC category** at sl.no. 23 to 24 in **Annexure-I** for which budget is available with the Ministry were approved.

c) Proposals other than that mentioned at paragraph 4(b) which are lower in merit list of **Annexure-I** were not approved due to insufficiency of funds. The eligible proposals amongst the proposals which are lower in the merit list may be considered for approval by the Ministry later on if funds become available with the Ministry under relevant budget head of the scheme. The eligibility of the proposals and decision taken in their respect do not confer any legal right to the respective applicants to claim grants-in-aid from the Ministry without the issuance of formal approval letters in respect of their individual proposals.

d) Grants-in-aid for eligible proposals is calculated on the basis on the cost norms of Mission for Integrated Development of Horticulture (MIDH) issued by Ministry of Agriculture, Co-operation and Farmers Welfare and determined by the Ministry of Food Processing Industries & taking into consideration the breakup of cost provided in the supporting documents submitted by the applicants with their proposals like Quotations, certificate from CE(Civil), certificate from CE(Mechanical) etc.

e) Bank Appraisal Note as well as term loan sanction letter (in-principle/final) from bank may be verified for the proposals wherein approval of PAC is accorded. The approval letter to be issued to the applicant should clearly mention this.

f) To meet the requirement of additional fund for various categories to sanction eligible projects, PAC advised to examine the possibility of re-appropriation of funds from other schemes where funds are not likely to be utilized and process the same for approval of Competent Authority to re-route the unutilized funds from other sub-schemes of PMKSY as per merit list under Scheme for Integrated Cold Chain and Values Addition Infrastructure.

g) It was further decided that any proposal under any category (General/ SC/ ST), not approved in this PAC meeting shall have no claim under the scheme as a right and that Ministry is not bound to sanction such projects and has no liability of any kind whatsoever for such proposals.

h) PAC approved the **24 proposals included in Annexure-I** of para-4(b) above, subject to withdrawal of proposals submitted by the applicants under any other sub-schemes of PMKSY against the EoI dated 21.06.2022.
