

**Minutes of meeting of Inter-Ministerial Approval Committee (IMAC) for the scheme of Cold Chain, Value Addition and Preservation Infrastructure held on 29.08.2017**

A meeting of Inter-Ministerial Approval Committee (IMAC) constituted under Scheme for Integrated Cold Chain and Value Addition Infrastructure was held on 29.08.2017 at 3:00 PM under the Chairpersonship of Hon'ble Minister, FPI.

2. The list of participants is at **Annexure-I**.
3. Secretary, FPI welcomed the Hon'ble Minister, FPI and other members of the Committee. Thereafter, the IMAC discussed and deliberated each agenda item. Following decisions were taken:
4. **Agenda Item No. A: Action Taken Note on the decisions taken in the previous IMAC meeting held 17.07.2017.**

IMAC noted the actions taken on the decision of the IMAC in its meeting held on 17.07.2017.

5. **Agenda Item No. B: Representations received from the eligible applicants of Uttarakhand State for setting up of Integrated Cold Chain Projects which were subsequently cancelled**

IMAC considered the agenda and took note of the contents of the letter dated 31.03.2017 of Additional Chief Secretary, Govt. of Uttarakhand (Horticulture and Silk Department) whereby it was conveyed that pea processing based IQF units in the Uttarakhand State would require approximately 2.3 lakh MT of green peas whereas the production of green peas in the state was 83000 MT as per 2015-16 production data. Director, Horticulture, Govt. of Uttarakhand submitted that State of Uttarakhand is also producing other fruits and vegetables like mango, apple, litchi, guava, beans, pears, cauliflower, okra, etc. in sizeable quantity in addition to peas. Therefore, Ministry may support cold chain projects envisaging processing/value addition of such horticulture crops in the state of Uttarakhand. He also stated that the Uttarakhand Govt. have no objection, if green pea also forms part of raw material for product mix for processing in the cold chain projects, even if, the same is brought from other states and requested the IMAC for sanction of all the eligible projects from the state of Uttarakhand.

IMAC took note of the product mix of each of 5 previously approved proposals that were subsequently cancelled by the IMAC in its meeting held on 21.4.2017 and observed that

only two proposals i.e. M/s. S K Frozen Foods, Nainital and M/s. Shanti Frozen Foods, Udham Singh Nagar have not envisaged green pea as raw material/ product mix. Remaining three proposals have envisaged green peas as one of the component of product mix. In view of this the IMAC decided to seek in writing the views of State Government as conveyed in the meeting for considering the 2 proposals viz M/s S K Frozen Foods and M/s Shanti Frozen Foods subject to availability of vacant slots. It was also decided to seek latest production data of green peas and feasibility of setting up of new cold chain projects envisaging processing of green peas from the Govt. of Uttarakhand to examine the other cold chain projects received from Uttarakhand.

#### **AGENDA PART - I (PMA: IL&FS CDI)**

#### **6. Agenda Item No. 1: The proposal of M/s G K Agro Foods for revision in approved grant-in-aid, rectification in facility details and change of location**

The proposal relates to soliciting approval of IMAC regarding revision in approved grant-in-aid, rectification in facility details and change of location of M/s G K Agro Foods, Dist.Jalandhar, Punjab

IMAC noted that the project has been awarded 3 marks for land ownership and 2 marks for suitability of land. Now the applicant has informed that he is not getting the CLU for the said land and has submitted request for change in location the details of which have not been furnished. In view of this, IMAC observed that the 5 marks awarded for above mentioned criteria may be disallowed as the applicant is still not in possession of the project land. After deduction of 5 marks the proposal will come down in the merit list at Sl. No. 124 with 59 marks and will become ineligible for financial assistance at present.

After detailed deliberations, IMAC approved the following:
